

Tulare Public Library would like to thank the community for their concern and understanding as we work together to navigate the situation surrounding COVID-19. On Tuesday, March 17, the Tulare City Council voted to close the library to safeguard the health and well-being of our staff, their families and the customers we serve. We will be closed until Tuesday, April 14. While this means cancelling or rescheduling various library programs, we will be exploring other options to interact with you during this time. Watch our website and social media feeds for virtual story times, crafts, and special activities. And don't forget about all of our online and electronic resources, available to you 24/7 via tularepubliclibrary.org and through our app. You can also reach us by phone at 559-685-4503. Staff will be taking calls between the hours of 12:00pm and 5:00pm Tuesday through Saturday during this closure.
