**IMPORTANT!** Please read filing instructions before completing this application

When an application for any proposal is left for filing, the mere act of leaving the application does not mean the application has been accepted as being complete. You will be notified within thirty (30) days in writing whether the application has been accepted as being complete and setting a tentative public hearing date. This is not a local requirement, but a State requirement found in Chapter 65943 of the Government Code

This application must be filled out completely and with full answers to every statement and question. This application must be signed by the owner or owners, or legally authorized agent.

Please submit the following information with your application:

1. Applicant must obtain a 'revise and proceed' from the Site Plan Review Committee.
2. Tentative Parcel Map, drawn to a scale. Parcel Map can be submitted electronically or in hard copy form. Any hard copy shall be large enough to show all details clearly and shall include the following information:
  - a) Description of original parcel(s)
  - b) Description of new parcels
  - c) Location, names, and present width of adjacent streets, highways, alleys, pedestrian ways and bicycle paths.
  - d) Proposed access, street improvements including paving, curb and gutters, sidewalks, street-names, stop signs, street lighting, bus stops, and fire hydrants.
  - e) The width and location of all easements for drainage, sewage and public utilities.
  - f) Approximate location of areas subject to inundation by storm water or overflow, the location, width and direction of flow.
  - g) Source of water supply. Location of nearest city water line.
  - h) Method of sewerage and sewage disposal. Location of sewer lines to be used.
  - i) Proposed use of property and zoning.
  - j) Date, north arrow, and scale.

- k) Radius of each curve and its interior angle.
- l) All existing surface and underground structures and improvements located on the original parcel should be shown.
- m) Contours at two-foot intervals shall be provided if the elevation of the property is 2 feet greater than the adjacent street or grade elevation between any two adjacent lots is greater than one foot. Any waiver of this requirement shall be made in writing to the Planning and Building Director.
- n) Each lot shall have width and depth dimensions.
- o) List each lot with the net square footage on the tentative map or separate attachment.
- p) Tentative and final map is required to contain appropriate "Right to Farm" statement.
- q) State whether a landscape maintenance district is proposed.
- r) State if the property is within the "airport influence area."

1. Submit a current Legal Title Report.

2. Submit an accurate scale drawing of the site and the surrounding area for distance of at least three hundred feet (300') from each boundary of the site showing the location of streets and property lines and the names and last known addresses of the recorded legal owners of all properties shown on the drawings. In addition, mobile home park residents will need to be identified. PLEASE TYPE NAMES AND ADDRESSES OF ALL PROPERTY OWNERS ON MAILING LABELS and including mobile home residents which shall be identified by "resident" and "space-number." In addition, the Planning Director may at his discretion, expand the noticing requirements in high growth areas, where it is clear that the county assessor's roll is not current with names and address. (Council authorization 7-2-2002)

3. Complete and submit the Environmental Information Form.
